

Alice Beach Residents,

With the weather finally warming up, it's time to start looking forward to summer at the beach!

The wonderful improvements that have been made to the playground over the last few years will be wrapping up this summer and we think it's time to shift our focus to other recreation areas around Alice Beach; more specifically the beach area.

If you have any ideas about ways we can improve the beach area or other recreation areas around Alice Beach, we'd love to hear from you! A small group has joined together to take over where the Playground Committee left off.

If you would like to help out or share some ideas, please contact Pam Haubrich (pamhume@sasktel.net), Susan Measner (susanmeasner@hotmail.com) or Janice Van Der Velden (soccerforlife77@yahoo.ca). We would like to get together as a group by the end of May to discuss potential ideas and determine how to move forward.

If you think you would like to join us, please let Pam, Susan or Janice know by May 22, 2018 and we will work towards setting up a time to get together as a group.
