

It's hard to believe that summer has come and gone.

This has been a great summer for the Alice Beach Recreation Committee. We've held a number of events to bring Alice Beach residents together while raising money for upgrades to our recreation areas around the beach.

To kick off the summer, on June 30th, the Committee helped the Alice Beach Council celebrate the completion of the Koltun Park upgrades. We had such a wonderful turnout for the barbeque! Thank you to the Alice Beach Council for donating the supplies and allowing the Recreation Committee to collect the proceeds. Special thanks to all the individuals who volunteered to barbeque hotdogs and serve food at the event.

The Committee held several bottle drives over the summer. These bottle drives are our largest fundraiser of the year. Thanks to everyone that saved their cans/bottles all summer. Your donations go a long way!! Of course we couldn't do it without the wonderful volunteers who join us on the morning of the bottle drives to pick up and sort the bottles. While it may not sound like fun, it's a great opportunity to catch up with other residents of Alice Beach. Thanks to Terry and Donna Gilroy for donating their trailer and transporting the collection to SARCAN.

At the end of summer, the Committee utilized the proceeds from our various events to purchase a new play structure and swing set for the beach area! These items will be installed in the spring and be ready for children to enjoy next summer. Thanks to Donna Gilroy for organizing the purchase of the equipment. The Alice Beach Council and the Committee also purchased a number of picnic tables that you will see around Alice Beach and at special events.

To end the summer the Committee held an end of summer barbeque at the Community Centre on Saturday, August 31st. We had a great turnout and everyone enjoyed the delicious food from Charlotte's Catering. Thanks to Laurie Kotylak and Susan Measner for all their work in planning this event!

The event was such a success the Committee is planning another barbeque next summer on *Saturday, July 18, 2020*. Mark your calendars and stay tuned for further details in the spring!! We are planning for next summer's event to be bigger and better than the last.

Last but not least, special thanks to those individuals that made financial donations this summer. These donations along with our fundraising efforts will allow us to make further improvements around Alice Beach.

As always, if you have ideas that you would like to share with the Recreation Committee or you would like to help out in planning events, please let us know by emailing us at rvabrecreation@sasktel.net.

Have a great winter, and we'll see you in the spring!!
