IMPORTANT NOTICE

Aug. 2, 2022

The AED unit ordered last fall has finally arrived and has been installed on the North exterior wall of the Glen Church Community Centre.

There are a few options available to the community in preparation of the emergency use of this Life Support device.

Everyone should take the time to watch the Heart and Stroke video (<https://youtu.be/DkVRqpQbQCY>) which is more of a show and tell session with cpr and aed use.

A second option is to take the BLS (Basic Life Support) course. We have a contact that provides Heart & Stroke BLS training and is willing to come to RVAB and conduct the course on either Sat Aug.27 or Sun Aug 28.

There is a cost of \$75 per participant, and your council would be willing to contribute to this cost depending on the level of interest from our residents .

Contact Ron Ziegler @ 306-536-4185 if you wish to participate in the course by Aug. 13/2022
