

Alice Beach Rec Committee News

First of all, a huge thank you to all Alice Beach residents for contributing to the bottle drive July 12th. It was another huge success! For this we welcome you to come over to the Glenn Church Community Centre August 2nd for hot dogs, chips & a soft drink following the bicycle and golf cart parade. So, help your young ones decorate their bikes & glamorize your golf cart for the second annual bike/golf cart parade!

We hope you've had a chance to enjoy the shade structure that was installed in the playground earlier this spring. We've also replaced the broken dolphin with the 'windy flyer' for the young people to enjoy. The tetherball appears to be rather tired and it is on order and will be replaced soon.

There has been some interest in setting up a mini golf station at the playground. We are looking for anyone with ideas or suggestions with the ability to design, build/set up something that can be presented to council for approval. Please contact one of the rec committee members with your ideas.

Don't forget to mark August 2nd on your calendars!
Alice Beach 2nd annual golf cart & bicycle parade
with free hot dogs & soft drinks to follow. Watch for
posters!
