ADMINISTRATOR- Darlene Mann has retired and our new administrator is Melody Dixon-Lye. All contact info remains in tact, office phone, email, mailing address. As this transition has recently transpired, we appreciate your patience while Melody gets familiar with Alice Beach. We would like to thank Darlene for her 9 years of service to our community. Our council has been very appreciative of her service to the community and the professional handling of RVAB business.

ALICE BEACH REC COMMITTEE- The committee is always looking for volunteers to help out. If you have a spare couple hours a month (or less) to give to your community please contact: Laurie Kotylak @ 306-539-9250, Susan Measner @ 306-535-2805.

EMERGENCY RESPONSE PROTOCOLS- The protocol for all emergencies is call 911. That includes fires, health issues or any other emergency. The 911 unit then notifies the proper response team for the situation.

AED- The AED unit is situated at the Glen Church Community Centre. Please take note of its location on the North wall in case of emergency.

NON-COMPLIANCE OF BYLAWS- There have been many instances of noncompliance of Village Bylaws over the last year or so, and the Bylaw

Enforcement Officer will enforce all bylaws that apply to our village in order to protect the beauty and further development of our village that makes Alice Beach the attractive community it is. This includes, but is not limited to, on street right of way parking violations. Please take the time to read and be up to date on the Bylaws, or contact the village office when in doubt.

DISPOSAL OF EXCAVATION MATERIAL- Excavation materials are **not allowed** to be dumped within the Resort Village. Contact any member of council for alternative dumping locations.

Working together for all to enjoy!
